BACK PANEL

Drug Facts

Active ingredient Purpose
Whole coal tar 1%....Dandruff shampoo

Uses

- for the relief of the symptoms of dandruff and psoriasis

Warnings

For external use only. Avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water.

If condition worsens or does not improve after regular use of this product as directed, consult a physician.

Use caution in exposing skin to sunlight after applying this product. It may increase your tendency to sunburn for up to 24 hours after application.

Do not use

- for prolonged periods without consulting a physician
- with other forms of psoriasis therapy such as ultraviolet radiation or prescription drugs unless directed to do so by a physician.

Keep out of reach of children.

In case of accidental ingestion, seek professional assistance or contact a Poison Control Center right away.

Directions

- shake well before using
- moisten scalp with lukewarm water
- massage a liberal quantity of shampoo into the scalp and rinse. Repeat, working up to a rich lather and allow to remain on scalp for 5 minutes.
- rinse thoroughly

Drug Facts (continued)

- For best results use at least twice a week or as directed by a physician

Other information

- keep tightly closed
- in rare instances, temporary discoloration of blonde, bleached or tinted hair may occur. May stain fabric and porous surfaces.
